OFFICE OF THE DEAN

NOTIFICATION

Call for Faculty Research Grants – 2026

Upon the recommendations of the Associate Dean Research and the Chairman, Research Grant Committee of KMC/KTH, this office is pleased to announce the opening of the Faculty Research Grant Program 2026 for eligible faculty members of Khyber Medical College (KMC) and Khyber Teaching Hospital (KTH).

Faculty members are invited to submit applications for financial support under the following categories:

1. *Research Grants* for the implementation of original research projects aligned with institutional priorities and addressing relevant health challenges.
2. *Conference Support*, for faculty members who have been accepted as speakers or presenters at national or international scientific conferences.
3. Financial Assistance for *Article Publication Charges (APCs)* for manuscripts accepted for publication in impact factor (Clarivate Analytics) journals.

Applicants seeking support for conference participation or article publication must provide documentary evidence in the form of the conference acceptance letter/email or the journal acceptance letter/email, respectively, along with their application.

Faculty members intending to apply for research grant funding are required to submit:

- A Technical Proposal prepared in accordance with the prescribed template;
- A Detailed Budget using the approved budget template.
- Trial Registration details
- A copy of the Institutional Ethical Review Board (IREB) approval letter;
- A recommendation or endorsement from the relevant supervisor/Head of Department, where applicable.

The proposal and budget templates are available on the official Khyber Medical College website: www.kmc.edu.pk. Completed applications, along with all supporting documents, should be submitted electronically via email to: rgc@kmc.edu.pk

The last date for submission of applications is 31st July 2026. Applications received after the stipulated deadline will not be considered.

All submissions will undergo a transparent and merit-based review process by the KMC/KTH Research Grant Committee and recommendations will be forwarded to the competent forum for approval in accordance with institutional policies and procedures.
