Call for Research Grant Applications for Undergraduate Students and Postgraduate Trainees (KMC/KTH) – 2026

Upon the recommendations of the Associate Dean Research and the Chairman, Research Grant Committee of KMC/KTH, this office is pleased to announce the opening of the Research Grant Program 2026 for eligible undergraduate students of Khyber Medical College (KMC) and postgraduate trainees of Khyber Teaching Hospital (KTH).

Applications are invited for Research Grants to support the implementation of original research projects that demonstrate scientific merit, address relevant health challenges and align with the research priorities of KMC/KTH.

Eligibility Criteria

Undergraduate Students (KMC)

- Undergraduate students enrolled at Khyber Medical College are eligible to apply for research grant funding.
- Applications should be submitted under the supervision of a faculty member affiliated with KMC/KTH.

Postgraduate Trainees (KTH)

- Postgraduate trainees undergoing training at Khyber Teaching Hospital are eligible to apply.
- However, research proposals developed solely to fulfil the mandatory dissertation or research requirements of the College of Physicians and Surgeons Pakistan (CPSP) shall not be eligible for funding under this program.
- The proposed research project must represent an independent research initiative beyond the mandatory CPSP requirement.

Ethical Approval Requirement

All applications submitted under this call must have prior approval from the Institutional Ethical Review Board (IREB). Evidence of ethical approval, in the form of an approval letter or certificate issued by the IREB, must accompany the application at the time of submission.

Submission Requirements

Applicants intending to apply for research grant funding are required to submit:

- A Technical Proposal prepared in accordance with the prescribed template;
- A Detailed Budget using the approved budget template;
- A copy of the Institutional Ethical Review Board (IREB) approval letter;
- A recommendation or endorsement from the relevant supervisor/Head of Department, where applicable.

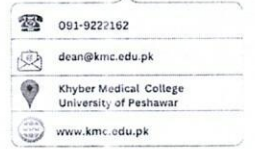

The proposal and budget templates are available on the official Khyber Medical College website: www.kmc.edu.pk. Completed applications, along with all supporting documents, should be submitted electronically via email to: rgc@kmc.edu.pk.

The last date for submission of applications is 31st July 2026. Applications received after the stipulated deadline will not be considered.

KHYBER MEDICAL COLLEGE PESHAWAR

OFFICE OF THE DEAN

All submissions will undergo a transparent, competitive and merit-based review process by the KMC/KTH Research Grant Committee. The committee's recommendations shall be forwarded to the competent forum for approval in accordance with institutional policies and procedures.

Undergraduate students and postgraduate trainees are strongly encouraged to avail themselves of this opportunity to engage in meaningful research, strengthen their scholarly capacity and contribute towards evidence generation for improved healthcare and academic excellence.
